

11. Give a Little Love (by Albert Hammond & Diane Warren)

Most of the kids singing with me are pretty young, so I wanted to do a song that would showcase my two older singers, Anna Guitton and Kenzie Horseman. I picked this song because I've always loved the Ziggy Marley version. Kevin and I recorded it, I put down my vocals and then the girls did the rest. They came up with some of the harmonies, the solo verse, the hand claps, and the improv section at the end. Yeah, they rock.

GIVE A LITTLE LOVE

V1 (C G)

Living in the crazy world
So caught up in the confusion
Nothing is making sense
for me and you

Maybe we can find a way
There's got to be a solution
How to make a brighter day
What do we do?

CHORUS

We've got to

C F
Give a little love, have a little hope

C G
make this world a little better

C F
Try a little more, harder than before

C G
Let's do what we can do together

Oh, whoa, oh (C G)

We can really make it better, yeah

Oh, whoa, oh, la, la, la,

Only if we try

V2

Got the words on our minds
Got the troubles on our shoulders
Sometimes it seems too much
What we go through

Maybe if we take the time
to understand each other
We can learn to make it right
What do we do

CHORUS

BRIDGE Am F G

If everybody took somebody by the hand
(come on take him by the hand)

Am D G
Maybe everyone could learn to love and understand

Repeat CHORUS (and variations of CHORUS) to end
